Dear David Mills

Monks Way Branch, Silverdale, Nottingham

Thank you for your acknowledgement letter of 27 May 2004 . My main concern at this stage is that the Monksway Post Office is due to close on 7 July 2004 . If we were to do anything with the reprieve I have asked you for, we would need to bring in the local authority, local residents and potential businesses wishing to run the post office in sufficient time to make this viable.

There is still for me a compelling case for retaining a post office service on the Silverdale Estate. The breathing space I am asking for will allow us to explore this with you.

Yours sincerely,

Alan Simpson MP
